Quarter Auction to Benefit Kara Bosworth

On May 11, 2010, Kara Bosworth, 16 year old daughter of Michael and Denise Bosworth of Forest Hill, MD, received second and third degree burns over 33% of her body as a result of a house fire at their home. She was hospitalized at Johns Hopkins Bayview for 4 1/2 weeks where she underwent three surgeries, two of which involved skin grafting on her hands, legs, and abdomen. She was discharged on June 10th but is currently being treated as an outpatient and continues to spend 3 to 4 days a week at Bayview for various therapies and burn clinic. Recently Kara received compressions garments which she will need to wear for an extended period of time. Kara has a great attitude and has been positive and upbeat throughout this difficult ordeal. This tragedy has inspired Kara to help other burn survivors and perhaps lead her into a nursing career.

On July 27th, Rosedale Gardens will hold a quarter auction with a portion of the proceeds going to benefit Kara. A 50/50 raffle will also be held. The monies obtained from this event will go towards The McKenzie Foundation for Kara Bosworth, an independent fund established and managed by an attorney for the purpose of financial expenses, needs as a result of the fire, as well as education, training, and future programs to help burn survivors.

Tickets for this event will be available at the door. Bring your friends and family for a fun evening! Be sure to let them know when you arrive that you are there to support Kara! Kara and her family look forward to seeing you there!

RSVP in advance in order to reserve a table!

Thank you for your continued support and prayers!
